

KERN COUNTY PROBATION DEPARTMENT

Policies And Procedures

TITLE: Range Master Lead Level			Article: 1713
APPROVED: William Dickinson, Chief Probation Officer			
EFFECTIVE: October 2016	REVIEWED: August 2018	REVISED: September 2024	UPDATED: October 2016

POLICY

As a precautionary measure, a baseline Blood Lead Level test will be completed for all assigned range staff when they first begin work as range staff for the Kern County Probation Department.

All range staff will then be tested once at the conclusion of six months. If there is not a significant change in the lead levels, the doctor may choose to monitor the range staff on an annual basis. The following facility will be used:

Central Valley Occupational Group
4100 Truxtun Avenue, Suite 120
Bakersfield, CA 93309

(661) 632-1540

It will be the responsibility of the Range Master to make arrangements with the medical office.
